**Re: United States v. Trevor Bickford
23 Cr. 91 (PKC)**

P. Kevin Castel
United States District Judge

Dear Judge Castel:

I am the attorney for Trevor Bickford, the defendant in the above-captioned case, and write to request a thirty-day adjournment of the upcoming conference, which is currently scheduled for April 25, 2023. Today, the defense received additional discovery and requires time to review it to determine the necessary motions in advance of the upcoming conference.

Defense counsel has conferred with the Government and they have informed us as follows: "The Government's position is that the conference tomorrow can proceed as scheduled, and that any pretrial scheduling to be addressed at the conference can accommodate the need for defense counsel to continue review of discovery."

The defense consents to the exclusion of time. Thank you for your consideration of this request.

Respectfully Submitted,
